A Look at Today's Game . . .

The Fort Hays State Tigers are facing a chance to have their first winning season since 1966 if they win over the University of Northern Colorado Bears today, but that might be a large order indeed.

The Bears, under the direction of Head Coach Bob Blasi, need a win today to keep their chance for a second straight Rocky Mountain Athletic Conference Championship. This incentive plus some exceptional talent among their ranks makes the Bears a formidable foe for the Bengals.

The team from Greeley depends heavily on the arm of their fine quarterback, George Kaplan. Kaplan has put the ball into the air 125 times this year, completing 59 for 839 yards and eight touchdowns.

Kaplan's favorite target is split end Barry West who has gathered in 21 tosses this season for 440 yards and five scores. West is followed closely by Bob Lawhead who has 27 catches for 396 yards and four TD's.

Defensively the Bears rank just ahead of the Bengals giving up about ten less yards per game than the Black and Gold.

Fort Hays State will counter the Kaplan-West combination with their record setting duo of Jonathan Douglas and John Woodworth. Douglas holds the single game record for passing yardage with 243 yards against Panhandle State and has broken the one season yardage record with 1,073 to date.

Woodworth has tied the one game reception record with seven catches against Northwestern State of Oklahoma and has broken the single season reception record with 31 so far this season.

Of course, the Bengals feature the one-two running punch of their All-America candidate "Mini-Brute" Tommy Evans at tailback and Steve "Crash" Crosby at fullback. Evans holds the single game and single season rushing records at FHS with 332 yards against Southern Colorado and a 1,158 yard season total to which he will add today.

Most cars just change. This one changes your driving.

It's a Camaro.

Driving one is like nothing you've ever done before. Unless, of course, you've driven one before. It gives you a whole new outlook toward what a car should be. And how

a road should feel.

For '71, we didn't change it very much. Just get behind the wheel of one and you'll see why.

But be prepared. It might change you.

1971 Camaro Sport Coupe with RS package.

1971. You've changed. We've changed.
